

Caleb Greenwood Elementary School 2013-2014 Recommended Supply List

The following list of school supplies are requested items that would be very helpful for your child to have on the first day of school. Keep in mind that consumable items will need to be replaced throughout the year, and your child's teacher may also request additional items needed for the classroom as the year continues. Shared items will be collected for classroom use. Please consider doing your shopping at Office Depot, as we participate in their **5% Back to School Program**. Just mention Caleb Greenwood and give them our school ID number- 70013341. Thank you for your support!
