WINTER CONCERT TOMORROW NIGHT!
Our first through sixth graders are performing tonight in our annual Winter Concert. In order to accommodate all of our students and their supportive and enthusiastic families, we are holding the concert in the Hiram Johnson Auditorium at 6:30pm. There will be space for everyone! Students need to arrive by 6:15pm to meet their teachers in the courtyard. Please see the flyer in the Wednesday Folder for additional details.

Spirit Wear is Back!
Spirit Wear order forms went home in last Wednesday's folder and will be due back on Friday, January 29. If you want to come and see what the new items look like we will have some items for sale this Thursday in the cafeteria. All proceeds benefit next year's 6th grade classes. Thank you in advance for your support! Go Cougars!

Kindergarten Registration
On site kindergarten registration for students residing in our attendance area will continue through Monday, Feb 1. Parents can register new kindergarteners in our front office through Feb 1, 8am-3pm. Open Enrollment begins February 16 for families outside our attendance area. If you have a sibling entering kindergarten through Open Enrollment, please let the office know so that we can give them priority registration!

Cougars on the Run!
We now have a sixth grade class in the lead! Join us again this Friday at 7:45am for Cougars on the Run to rack up some laps for your class. Only one more run before our next winner is announced!

Valentine’s Day Reminder
Please remember that at Caleb we do not celebrate Valentine’s Day with any type of food item. Please do not attach candy, treats, or any other type of food to Valentine cards. If these are sent to school with your child, they will be returned home. Please don’t put your child’s teacher and your child in the position of having to send these items back home. Non-food alternatives to consider are pencils, erasers, stickers, and temporary tattoos.

IB Learner Profile Focus
RISK TAKER

Students who are RISK-TAKERS have the daring to try new things. They try to solve problems in a lot of ways. They have the bravery to tell people what they think is right. How can you help to develop students who are Risk-Takers at home?

- If your child is feeling uneasy about trying something, encourage them to attempt it and then reflect on both whether they liked the activity and how it felt to try something new.
- Your child might want to set some short-term goals. Consider activities that make him/her nervous. What are realistic goals for the week? Your child might set a goal to:
  - Offer an opinion in class
  - Spend one recess with someone they might not usually play with
  - Order something different from the lunch menu
  - Try an activity they haven’t tried before
- Be careful to explain to your child the difference between being a risk-taker by trying new things and doing dangerous things.

Dreams That Inspire

In recognition of our focus attribute of Risk-Taker we celebrated Make Your Dreams Come True on Friday, January 15th. Students made a wish in our wishing well and then talked about plans to make those dreams come true. No matter how big or small, there are some dreams that inspire us and allow us to make our lives better. It is these dreams that Make Your Dreams Come True Day celebrates. Dreams that motivate us to do better, encourage us to take on more challenges and energize us to succeed in our lives - professionally and personally.

How to Celebrate At Home?

- Get started on making dreams come true
- Talk to your children about something that inspires them
- Make an inspiration board with images and words relating to their dreams
- Write down their dreams and make a project plan to work towards
