PTSO Spring Auction – April 9th
Spring Auction tickets are now on sale! Buy your “Early Bird” tickets for $40 before March 18th and be entered to win 5 drink tickets! We hope that you can join us for a causal evening of food and drinks at the Silverado Design Center’s backyard showroom. If you are unable to attend you can still make a donation to the school on the registration page. Here some exciting things happening for this year’s auction:
* Mobile Bidding - starting on April 2nd you’ll be able to view the Silent Auction online and enter your desired maximum bids (similar to eBay). Bidding will end at 7:30pm auction night and you’ll immediately know what you’ve won. Just keep your phone on hand and you can spend the evening visiting with friends instead of circling the bidding tables. Pre-register your credit card when you buy your tickets so you can avoid the dreaded check out line!
* Fund-a-Need - for our Live Auction this year we’re going to ask you to help bring a dedicated art teacher to Caleb. There will be a few Class Art pieces in the Silent Auction but we’re hoping you can dig deep into your pockets and help bring back art to our school.
* Principal for a Day - Mrs. Hanson has graciously agreed to let a kid rule the school for a day (with a little assistance!). For your chance to win check the $25 box when you purchase your event tickets. Winner will be announced before the Live Auction.
* Other fun auction features include $10/$20 balloon poppers, 52 card bike raffle and a kids’ photo wall

IB Learner Profile Focus
COMMUNICATOR
Students who are COMMUNICATORS are able to think and communicate in more than one language. They can express their ideas by speaking, drawing and writing. They can also communicate using mathematical language and symbols.

How can parents help to develop students who are Communicators at home?
• Encourage your child to stay in touch with relatives and friends who live in other countries by writing letters, using the phone or sending email.
• When working on mathematics homework, encourage your child to explain his/her answer to you orally or by drawing a picture.
• Ask your child thought provoking questions and encourage them to discuss them with you. For example:
  o What would you do if you were scared of someone at school?
  o Is there anything you cannot buy with money?
  o Should you get an allowance? Why or why not?
• Work with your child to improve his/her listening skills. Being a good listener is an important part of communicating with others.

Learner Profile Event for March
World Poetry Day!
As we focus on the IB learner profile attribute of Communicator this month, we will celebrate UNESCO World Poetry Day on Thursday, March 17th. World Poetry Day is an invitation to reflect on the power of language and the full development of each person's creative abilities. Students will have an opportunity to create a Dream Flag poem during lunch recess and then recite their poems at our Open Mic stage.
