- **Time:** Tuesdays, 2:25 - 3:25, Room #23
- **Dates, Cost:** Sept 19 – Nov 14; 9 weeks, \$130
- No class on holidays or minimum days. Enroll early - space is limited. Grades 1-6

Winter / Spring 2018

- **Time:** Tuesdays, 2:25 - 3:25, Room #23
- **Dates, Cost:** Jan 16 – April 3; 10 weeks, \$145
- No class on holidays or minimum days. Enroll early - space is limited. Grades 1-6

Young artists in this workshop will create an array of fantastic and functional art: bowls, lidded jars, and tiles drawing upon themes from nature, fairy tales, or popular culture...birds & animals...flowers, trees, & people!

Through these fun and creative projects students will learn all the basics of handbuilt sculpting in clay, while learning concepts of form and functionality. Freedom of expression, creativity, and constructing skills are stressed. Projects are for both beginners and students who have had previous clay instruction.

The instructor is a working artist and mom who exhibits in regional galleries and teaches sculpture courses for children at Country Day School and the Crocker Art Museum.

Note: Contact Julie Didion at 216-5797, or juliedidion@comcast.net for more info. Parents are responsible for drop off and pick up at the classroom. Split payments by prior arrangement only. Keep top half for your records.
