Flag Football: TBD

Despite their hard work and preparation, our flag football lost their first game last week. They showed great sportsmanship and made us proud with their Cougar character and still have one of the best records in our division at 5-1. This week's game has been rescheduled due to air quality concerns. Please keep an eye out for an email blast and remind text with the new date and time! Go Cougars!

Arrivals, Tardies, Early Dismissals & Attendance

Arrival: The cafeteria is open at 7:30 for breakfast and the playground/blacktop is open at 7:45 for students to play. If your child arrives prior to 7:45, they must go to and remain in the cafeteria until 7:45 when adults will supervise the playground/blacktop.

Tardies: Our first bell rings at 7:58 indicating that students need to use the restroom, get a drink of water and line up. When the second bell rings at 8:00, students should be in line and ready for class. If your child arrives after 8:00, a tardy slip from the office is required for the student to enter class. If your child arrives after 8:30, you will need to accompany them to the office to get a tardy slip and sign them in for the day.

Appointments: Please make every effort to schedule appointments for your child outside the school day. If your child misses school for the day, or a portion of a day, due to an appointment, you will need to bring a note from the service provider to excuse the absence.

Early Dismissals: Early dismissals are allowed through the front office only and you must sign your child out when removing them from school prior to dismissal. However, please note that due to end of day procedures, all early dismissals must be complete by 2:00. Requests after 2:00 will have to wait until our 2:12 dismissal.

Attendance: In order for your child to gain the maximum benefit from their education, it is imperative that they attend school each and every day. Please only miss school for illnesses and family emergencies. Always call the front office or use our online tool <http://calebgreenwood.scusd.edu/quick-link/report-absence> to clear your child's absences.

THINKER

Students who are THINKERS work to solve problems independently. They can imagine many solutions to a question or challenge. Thinkers make good decisions and can predict the outcomes of their actions. They think creatively and critically. *How can parents help to develop students who are Thinkers at home?*

Encourage your child to try to think of solutions to problems independently. Pose different real-life problems and questions to your child:

- "I'm not sure how to arrange the glasses so they can all fit in the cupboard."
- "I wonder how much the groceries in the cart will cost... how can we make an estimate?"
- "We need enough cookies for the 20 people in your class. What kind of change should we make to our recipe?"

Ask your children questions when they are working on a problem:

- "Do you have any ideas about how we might begin?"
- "How can we do this differently?"
- "I had never thought of that. Tell me more about it."
- "What other ways can we show that?"
- "Why do you think that?"
- "How did you figure that out?"
