2017-18 Classroom Supply Lists

The following list of school supplies are requested items that your child should have ready on the first day of school. All supplies are shared and should **not** be labeled with your student's name unless otherwise noted. Shared items will be collected for classroom use. Consumable items will need to be replaced throughout the year, and your child's teacher may request these and additional items as needed. For in-person shopping, our school ID number for **Office Depot's 5% Back to School Program** is 70013341. Thank you!

We ask parents to provide these supplies due to our limited budget, but we understand that some of these items may be difficult for families to purchase. It is not a requirement that you purchase them. We will use site funding to ensure that every child has what they need to learn each day, and we appreciate any and all contributions you make to our school. Every donation helps. Thank you!
