

CALEB GREENWOOD

An International Baccalaureate World School

Preparing global citizens to take leading roles in their community and the world.

Nestled in the heart of Sacramento's River Park neighborhood, Caleb Greenwood is an International Baccalaureate (IB) Primary Years Program World School that offers a rigorous and balanced K-6 program of inquiry with a global perspective. Students thrive in an environment where they make connections between what they are learning in the classroom and the world around them. Collaboration, critical thinking, communication and international-mindedness are emphasized through inquiry, social emotional learning, art, Spanish and music. This IB education results in global citizens who will be well prepared to take leading roles in the world.

SCHOOL TOURS

Thursday, January 9

Thursday, January 16

8:30am-10:30am

No RSVP Required

The IB Learner Profile

The aim of all IB programs is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB Learners, we strive to be Inquirers, Knowledgeable, Thinkers, Communicators, Principled, Open-Minded, Caring, Risk-Takers, Balanced and Reflective.

What is an IB Education?

IB Schools develop well-rounded students with character who respond to challenges with optimism and an open mind, are confident in their own identities, make ethical decisions, are globally aware and join with others in celebrating our common humanity, and are prepared to apply what they learn in real-world, complex and unpredictable situations. IB students are given a unique education experience that enables them to engage with people in an increasingly globalized, rapidly changing world and can lead them to some of the highest-ranking universities around the world.

A vital element of an IB education is the transformative and ongoing professional development opportunities for educators. Each year, Caleb Greenwood, along with schools from all over the world, send groups of teachers to collaborative professional development sessions, in which teachers and school leaders work together to evaluate, reflect on, refine, and grow our program of inquiry.

What is the Primary Years Program?

The PYP prepares students to become active, caring, lifelong learners who demonstrate respect for themselves and others and have the capacity to participate in the world around them. The PYP is designed for students aged 3 to 12 and focuses on the development of the whole child as an inquirer, both in the classroom and in the world outside. The PYP framework is guided by six transdisciplinary themes of global significance and is delivered through site-developed curriculum based on national and local standards.

Caleb Greenwood's Unique Qualities & Benefits

- International Baccalaureate World School
- Warm & welcoming community
- Parent & family events: Back to School Social, Fall Festival, Winter Concert, Family Dance, Family Picnic Day
- Active parent & community involvement
- Inclusive Practices site in which students of all abilities are welcomed and served in age-appropriate, general education classrooms with differentiated instruction and support
