School Site Council
School Site Council is a great way to learn about strategic planning and funding at Caleb. Our School Site Council is made up of Mrs. Hanson, three teachers, one support staff and five parent/community representatives. We are in need of several parents to join the council for a two-year term. Meetings are the first Wednesday of each month, 3-4pm in library. Please email Mrs. Hanson at erin-hanson@scusd.edu if you are interested.

SAVE THE DATE: Jogathon, Fri, October 11!
The 2019 Jogathon is scheduled for Friday, October 11th. The Jogathon is a fun and fit activity for K-6th graders to show their support and raise funds for our school. It is the biggest fundraiser for Caleb, which helps our PTSO support enhancements to the ongoing IB program and enrichments, including music, arts, Spanish curriculum, and library. Our schoolwide goal is $30,000 and if we reach our goal all kids will receive one week of NO HOMEWORK! All joggers will receive a FREE T-shirt made possible by our dedicated, generous sponsors. Check out page two of The Cougar Chronicle to learn about our school-wide focus on ACTION and how you can work together with your child to take ACTION at home!
As you hopefully know, Caleb Greenwood is an authorized International Baccalaureate (IB) World School implementing the Primary Years Program (PYP). Our most recent Evaluation and Reauthorization occurred in Spring 2019. Thank you, everyone, for the continued work and support that made this possible. This achievement reflects the efforts of everyone involved in our Caleb community!

So begins our fifth year as an authorized IB World School as well as the launch of the IB PYP Enhancements. In a reflective effort to provide the best possible standards and practices for our students, the International Baccalaureate Organization has reviewed and improved many aspects of the Primary Years Program. We will begin to slowly roll-out these changes and communicate them with you, our Caleb Greenwood community, so you can begin to understand the new terms as well as the philosophy and intentions behind the Enhancements.

This year we will focus on an important element and value of all the International Baccalaureate Programs -- ACTION.

**What is ACTION in the IB PYP?**
In the PYP, action is both an application of learning and an opportunity for students to engage in a form of contribution or service. It is integral to PYP learning and to the program’s overarching outcome of international mindedness.

**What are the PYP ACTION Enhancements?**
Action will still draw on learning and inspiration in the PYP. However, we will be encouraging students and our families to explore different demonstrations of action such as:
- lifestyle choices – e.g. consumption, impact of choices
- participation – contributing as individual or group
- advocacy – action to support change
- social justice – relation to rights, equality and equity, social well-being and justice
- social entrepreneurship – innovative, resourceful and sustainable social change

**The Learner Profile/ACTION Connection**
Action, the learner profile, and international mindedness work hand in hand to strengthen students’ confidence in their capacity to make a positive change in the world. Student-initiated action will be considered a dynamic outcome of a student’s learning and an active demonstration of the learner profile attributes. Each month we will focus on a learner profile attribute and how it connects and nurtures a child’s disposition towards Action.

**How can we begin to support ACTION at home?**
- Read the Cougar Chronicle every week as we begin our Action Launch. Here you will find guidance and suggestions on how to support your child at home!
- Follow Caleb Greenwood’s Facebook and Instagram pages for Action spotlights, ideas, inspiration, and more!
- Talk with your child about their interests and knowledge of Action

**September Learner Profile and Action Focus:**

**Open-Minded Lifestyle Choices**
Being Open-Minded helps you learn and grow, as well as strengthen your belief in yourself. It opens opportunities to learn about others and how they live and why they believe the way they do. It allows you to gain knowledge and become aware of the world around you. This knowledge and awareness may result in Action in the form of a Lifestyle Choice -- it may change how you perceive and interact with people; it may change what you buy or the businesses you frequent; it may change how often you wash; it may even change your eating habits! Be open to learning something that will impact the choices you make in your day-to-day lives.
